2018 TAMAQUA COMMUNITY PROGRESS REPORT

On April 26, 2018, the Tamaqua Area Chamber of Commerce will hold our 66th Annual Community Dinner, during which the 2018 Community Progress Report will be presented. This progress report contains information, pictures, and updates on the projects that have taken place within the entire Tamaqua Area throughout the previous year.

This progress report is used as a marketing piece throughout the year to promote the Tamaqua area to potential investors, consumers, developers, businesses, and residents. The report is distributed to area real estate agencies, organizations, as well as the chamber’s web site.

You can view the 2017 booklet at the following link: <http://www.tamaqua.net/2017progressreport.html>

As a vital member of our community, we are asking that you support our continuing efforts by placing an advertisement in the report. 200 printed copies of the report were distributed last year. The online accessibility increases the value of the report for the community and our supporters. Copies of the report are also provided to each advertiser.

The dinner also features the presentation of the annual Citizenship Award as well as Business Person of the Year. This year’s keynote speaker is Gina Gargano.

Fill out the form below and return it to the Tamaqua Area Chamber of Commerce before March 30, 2018, so that we can include your business in this valuable marketing piece.

Thank you for your continued support of these efforts to improve our community!
